

Building Inspector:

Job Description:

EsGil Corporation, an established 36-year old municipal consulting firm, seeks qualified Building Inspectors to provide inspection services for building construction projects in the San Diego County area. Full-time and part-time positions are available for persons demonstrating an acceptable combination of qualifications and experience. Pay commensurate with experience.

Essential duties include:

- Perform field inspections of residential, commercial, and industrial buildings and structures during various phases of construction to assure compliance with applicable building codes and regulations
- Read and interpret building plans, specifications and building codes
- Prepare correction notices on work that is not in compliance

Job Requirements:

- Knowledge of current building codes and standard practices pertaining to building construction
- Minimum two years of experience in a city or county building regulation agency
- Certified as an ICC Building Inspector
- Applicant must have good oral and written communication skills
