8. Old Business

- Dan Pavao gave a brief update on the foundation project possibility at Crisis House. We are working on a proposal to solicit funding.

9. New Business

- Mehdi discussed the program for the installation dinner.
- CBC Section 110.3.5 includes an exception that exempts from inspection the fastening of drywall that is not a part of a fire resistance rated assembly. Building Officials in attendance said that they require the inspections. May be a code adoption issue for jurisdictions that adopt chapter 1 Division II of the CBC and CRC.

10. Committee Reports

- Accessibility (Chair: Mehdi Shadyab) Discussed what the committee does.
- CBC / CRC (Chair: Ali Fattah / Kurt Culver) Ali Fattah reported that committee did not meet and reminded the chapter of the upcoming deadline in January 2018 to submitted code changes to the 2018 I codes that will be published in the 20201 edition.
- Disaster Preparedness (Chair: Mehdi Shadyab) No Report.
- Electrical (Chair: Chad Gustine) Chad and Tiffany discussed electric meter release designators. Service upgrade versus service order. Also Chad discussed that suspended electrical equipment attachment and support needs to be designed by a Structural engineer.

13. Good(s) of the Order

- Luis Sainz of National City discussed Section 110.3.5 where the exception exempts from inspection the fastening of drywall that is not a part of a fire resistance rated assembly. The few Building Officials present indicated that they perform the inspections regardless of the exception. Ali Fattah stated that the city of San Diego does not adopted Ch 1 Division 2 of the codes. We will put this issue as a new business item at the next meeting.

- **Adjournment**
There being no further business, Mehdi Shadyab adjourned the meeting at approximately 2 pm.

Respectfully Submitted,

Ali Fattah
