- a. Approved as submitted.

4. Committee Goals

- a. Understand significant changes in 2013 CRC – first priority
- b. Propose committee goals for the year:
 - Globally: Understand the significant changes to the 2013 CRC, clarify common misinterpretations in code language
 - Specific topics of interest to begin with listed in item 5 below

5. Committee Topics of Interest

- a. Wall Bracing Flow Chart – Karyn brought in another rough draft to share with committee. Obtained approval from APA to reproduce example from wall bracing book in the chapter flowchart to minimize recreating the wheel.
- b. Tempered Glazing (Lee) – suggested we wait until code books are published to provide comparison of new code to old
- c. Fire Sprinkler requirements – Sean wasn't present to provide an update
- d. Decks, gazebos, and other detached structures (Russell) – Russell was absent, but committee discussed deck attachment details and heights requiring building permit (>30")
- e. Corrosion resistant fasteners (Russell will bring his research presented to the chapter last year and we can compare to 2013 CRC and CBC requirements)
- f. Cutting and notching of framing members (compare recommendations by CRC, CBC, UPC of sawn lumber and Engineered Wood Products) – The committee has gather recommendations by APA and WWSA for EWPs and sawn lumber. The next step will be to combine these recommendations into an Information Bulletin along with CRC code language.
- g. 2015 IRC Code Changes – secondary priority for now
- h. Other – window sill heights possible topic

6. Adjournment
